

Colorado 2016 March for Life

Dear Brothers and Sisters in Christ,

Last year 4,000 people joined us on the west steps of the Capitol as we presented the Gospel of Jesus Christ as the ultimate solution to the problem of abortion, and to that of all sin. The only thing missing from this great event was you! Please join us this year! You can help Colorado's 2016 March for Life be a great encouragement and a rallying cry for the entire Body of Christ!

We must stand in the gap for our neighbors as compassion moves us to love the most vulnerable among us. Join us and bring along your family and friends, the impact of this event, January 16th at 1:30 p.m., will reach thousands more!

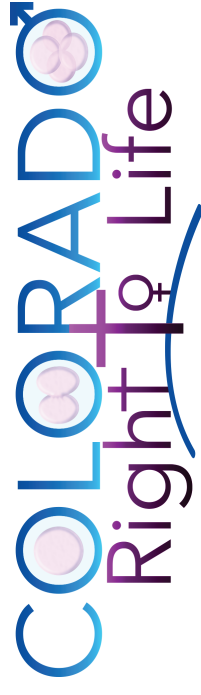

America's greatest living orator, Ronald Reagan's appointee Ambassador Alan Keyes, has agreed to speak and will encourage the crowd toward loving God and loving our neighbor through the Gospel of Jesus Christ!

In spite of the moral free fall of our nation, a strong presence from your church will help us raise our voices so that our communities will hear that the Body of Christ is still standing on the Word of God. To reverse the moral relativism that has begun sweeping even through the church, we must hold strong to the foundation. God's enduring command still applies today: "Do not kill the innocent" (Ex.23:7; Mark 10:19; James 2:11).

This is not your grandpa's right to life. It has been many years since this event was partisan. At Colorado's March for Life you and your church members will be renewed in your spirit, encouraged in the Lord, and emboldened to speak the truth in love. Please come! We need your help. So do the kids. And God will bless!
